

Undergraduate Honors Program Application and Statement of Intent

Academically motivated students are encouraged to apply to the Undergraduate Honors Program. Program participation is restricted to top students in each major. Students must complete this application and prepare two essays, which will be reviewed (along with academic record) by a faculty committee.

Please respond to both questions at the bottom of this form, using additional pages. Type your response, with no more than 250 words per answer. Once completed, please return this application as soon as possible:
