Guest lecturers and faculty members share their expertise in the Distinguished Speakers Series and the Faculty Lecture Series.

## B.A. in Theatre

The theatre major offers varied disciplines of theatre, including public performance and directing theatrical scenes and productions. Students develop technical knowledge and skills, as well as understanding of historical periods and styles of theatre, and the role of drama in culture and society.

### *Graduates of this major will be able to*

- communicate effectively
- apply skills in costuming, lighting, and set design and construction
- engage in public performance and directing

These skills prepare students for career opportunities that include professional theatre, education, television, and broadcast journalism.
